QR codes that never stop working

Free. No signup. No “your code has been deactivated” email.

- Restaurant menus, with a table tent ready to print
- Wi-Fi for your customers in one scan
- Your business WhatsApp, with the message ready to send
- Already have a QR code? Check for free whether it depends on another company

Scan to make yours

nocatchs.com/en/qr

Also free: email signatures and resumes with PDF download.

Free means free. Paid means pay once. Nothing you make ever gets switched off.
